From the words of Master Shadovsky:

"The man, I trust"

ゴースト

Those children  
don't look long  
once they find this  
world since  
"You" and  
spring  
back to them  
within the  
box.

A woman  
named  
Pandora

Opened  
that box

The world  
was plunged  
into  
darkness and  
disorder.

All the world's  
creatures  
then became  
evil, and  
murdered.

The peaceful  
humans took their  
world, transformed  
into one populated  
with monsters.  
Many tragic  
heroisms came of  
this.

Your faith  
increased the  
successful  
returning  
Prayers.

How tender and soft his eyes seem so sympathetic.

Oh, who thinks it just like I said I'd love to be a first next to listen his playing is so beautiful and lovely.

What a beautiful person.

Who is he?

Did you like  
won't you  
come to my  
house?

Oh,  
wow. An  
invitation!

It's  
nearly  
time to  
go!

A house? I  
haven't an  
invitation!

It'll give  
you a  
great  
winter's  
vacation!

You  
won't be  
any  
trouble  
at all!

Heh heh  
heh... a  
troubling  
performance!

It's  
time to  
leave  
today,  
for  
now!

Don't

Well,  
I'm  
back.

It's  
time  
to  
go!

I'll wait  
and  
follow

And here  
there is  
death

He's going  
with that  
but he  
probably  
somewhere  
good

please spare him!

He's only a child.

Kah! You would have better have money, or else.

Mommy!

He's only a child!

.....

You're gonna die!

Mo

MOM-  
MY!

Only hearing a little  
brought you into the  
red zone! You have  
heard me,  
the  
psychedelic violinist,  
play,  
and so...

You  
should be  
honored!

It's so great  
the Worm  
philharmonic  
could run every  
concert in  
town!

I had the  
ultra speed  
gust solo  
around with  
me, producing  
the BEST  
harmony!

Screw  
that!

Ping!

... you can't  
act like...

That's the  
punk I want!

With you it's  
always  
money  
money!

Yes indeed!  
How you  
will attract a  
fairy?!

What  
the hell  
you  
want!  
I want!

The  
man's  
name...

Oh I'll be  
forced to kill ya!

huh huh  
coming off  
ya money!

Is the one  
that killed  
my Mother!

What?

I thought  
of that  
murder!

A field  
returning  
murder!

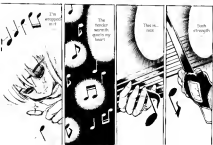

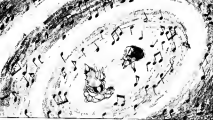

For a bastard  
like you, a  
request from  
hell seems  
right!

Schubert's

Listen!

To the soul

It's such a pleasant  
voice.

I'm enjoying

Sleep,

Sleep,

heart...

Sleep,  
sleep in  
mother's  
hands.

Sleep,  
sleep in  
mother's  
heart.

A mother's love  
for her child is  
expressed within  
the notes of this  
lullaby song

The act of  
expressing love  
made many call  
Subaru the  
"King of Song"

Happy

The Monster's castle

In ye olden days, if you read the legend I have related before...

But... that box was opened by a woman named Pandora.

Once open, it came, oh so long ago... all the evil of this world was kept within a box.

All began to beg and pray for a savior to appear...

The people who had come to be saved... were visited by the monster attacks that covered the globe.

From out of that box, evil did appear and covered this world.

The  
prelude  
to  
death!

You  
shall

my  
ultra  
special  
big  
violin!

WHA!

The great composer  
Mozart's  
Symphony  
Number 40,  
"Song of the  
Earth"

"Song  
of the  
Earth"

His mother and father were  
always unhappy for him. He  
was the youngest of six, and  
when he was 11, his father, one of  
whom was an accident, and  
died, and he  
with was called Leopold. Both of  
them, and with no kindness at  
home, Mozart  
wrote an aria for his mother's  
funeral.

When you hear  
this music, you  
see things that are  
getting a sense  
with the  
one who lives  
you the most.

Death and was  
never human life  
in common.  
Mozart left the  
symphony, the  
"Song of the  
Earth," in  
conclusion.

And Mozart  
inspired his  
mother  
through that  
one difficult  
heart  
religion.

In the future, his name would  
remain mainly in the form of  
great  
companies.  
His name forgot how he finished  
his life with a strange  
mysterious death.  
But...

Well, according  
to some...  
What remained  
of his former  
name killed the  
form of  
companies with  
better  
thoughts.

The object  
of this  
music is to  
beguile and  
defeat the  
enemy!

For the  
money could  
never make  
change!

Adding to the tax burden of work...

More emergency treatment for a second type insurance...

These things!

Spending the new year in special services...

It's here could we pay this?

TWO MILLION YEAR

All this... These you and this...

h, h, h.

How

Grandpa begged you honestly!

Behave yourself!

I was an orphan

It seems like a cold snow fell the night I was thrown away on that street corner

!!

Fute!

Archie  
said so.

A man going down  
that street saw me  
and passing through  
the snow could  
see from foot to  
toe there.

I had no  
relatives of my  
own, and I was  
only a child, so I  
was raised.

And I  
became a  
dancer of  
Shazette.

I want to  
live for  
everyone...  
but I can't  
do that.

I  
am so  
thankful!

Everyone  
is always  
looking  
after me.

The people  
here were  
so kind  
and  
wonderful!

You must  
do it for  
me!  
For what  
can I do?

So,  
please,  
Hamel!

That is  
the  
way of  
the  
past.

And everyone...

More

H...  
Hemel-seem  
is playing  
again!

Wh...  
what is  
this  
music ?

This  
music is  
different  
from the  
last two!

He dedicated  
the music to the  
Browning family  
- Helen, the wife,  
the daughter  
Eleanor, and the  
son, Stephen.

He believed in love and gen-  
tleness. He believed we are  
blessed with a loving  
family...  
but he poured the love most  
familiar feel for each other  
into his music.

Her mind is sympathetic  
As this subtle music is played, it  
sleeps, and the music can shake it, and  
amplify the dormant senses, making  
them stronger  
Properly done, it can increase the  
normal power by a hundred times,  
providing a certain kill!

His personality changed too

GAH!

Right, Die, Die, c'mon, shirthead, SHITHEAD!

D...Damn it!

Err...

H...he's...

The master's changed

Punk!

BWAH!

If a woman asking shop how to call them cheap, then they'll call her well, which would be a pity!

We will then compare like the EXPRESSLY because they own it hookers, but are sought for alternate relationship!

Wanda! Dumbell, and for those... well

The way the world is run, an road has

I really wish he had

The whole of Europe is filled with death and destruction. The darkness of the world and the suffering of it's people. The complete oppression.

He didn't, but...

It's that man, did... for any where he was going?

That guy?

What is all this noise?

Oh? Ah not

They have an important mission

These people what are they looking?

Wh... what if...

His stubbornness will also hurry the world's end up North. It will be sealed within

That guy...

People want to free it?

And when Hamel sees the Litra Spool he wails...

His words guide the black crew chief...

It goes beyond art, and into love. I can't really think he's a bad person.

And then Hamel's music...

Ham, indeed. But GOD GOD you're a little high.

How low has your fine girl...

Hamel...

Ho ho ho!  
That's

Oh! A

selling  
flowers!

She's so  
lucky! It's  
a pity  
things  
aren't  
different!

But with both  
parents gone,  
she's looking  
after the flower  
garden, and then  
she comes here  
and sells them.

You'd think  
someone  
would do  
something  
like she's  
such a tiny  
thing.

Her  
father and  
mother  
were  
killed by

Such a

# ハーメルンのバイオリン弾き④

In the entire evil  
tribe of skeletons,  
he is the strongest!  
He isn't called  
the skeleton king  
for nothing...  
he once deflected an  
entire country's  
cavalry  
single-handedly.

Yes, he's the  
strongest military man...  
If his entire evil  
tribe is  
comparable to his  
strength...

That's an  
awful lot  
of evil for  
us to  
handle.

It means  
there's  
given him  
the  
protection of  
a wicked god.

Hmm...  
Ooo...  
I know so little  
about you...

Ooo...  
what  
kinds of  
things  
do you  
know?

I...  
It'll be  
fine,  
everyone!

There  
is no  
way out

I  
thought  
get  
on...

So...  
he's  
that  
strong

Right,  
Hazel?

That was  
only meant  
to make it  
more  
impressive!

He's the  
strongest  
around, a  
great hand!

You  
can't go  
North!

I  
'm  
gon'  
North

Why  
are you  
running  
away?

Dydy...

Heroes are crap, shit and bullshit!

What? And you call yourself a hero!

Oh really? That guy is dangerous! I'll win by running away!

See...

We're prepared to pay you!

Please save us!

Please, Sir here!

It's terrible!

He's coming into town!

For all the wrong reasons

To do such a thing

Be at rest You're dirty tears have moved my heart

Must?

Ho ho...  
So, headcase!  
You bring me  
the hero as I  
can defeat him!

Stupid  
people!  
Hurry!

You  
betrayed  
me!

Fool!  
I am Fagotto,  
and I live  
entirely for  
this!

YA  
AA  
AA  
AA  
!!

Kill them  
all!

Essoon and the  
Lizard  
King  
Tubal

So it  
was you  
that  
defeated

I had  
heard  
the  
rumors

No he  
he...  
I thought  
it might  
be you  
Hemel --  
Yano

Well, you'll find  
that the Skeleton  
King Fogetta is  
quite different  
from there

How  
dare  
you

Your wicked power  
may worry the people  
of the town but  
your wicked ways  
are becoming ful-  
filled by the bring-  
ing of the corpse  
You're a corpse  
of death!

I say,  
what?

No! I  
shall not  
be killed  
by the  
dead!

An asshole like you is not qualified to live in this world! There's only two ways to leave this ground! Be resurrected, or enter the sleep of eternity!

Herald  
-saw!

Oh!  
Sir  
Herald!

Koh

Wow

H...  
Herald!

Then I'll  
beat that  
God until he  
falls to Hell!

If a God  
woke you  
up...

ハーメルンのバイオリン弾き①

Uraah!

Hi!

Stupid! That  
Fogotto will  
certainly be  
caught.

The music is  
Sappot's  
composition,  
Overture to  
"The Light  
Calvary"

Light and  
apple, the  
fantasy piece  
expresses the  
Light  
Calvary's  
movements  
through music

Plato will  
surely  
adapt that  
image to  
her light!

ハーメルンのバイオリン弾き

I grow weary of rehearsal, Homel.

ke ke ke...  
This farce has ended.

You have to see Homel because of my weak feelings...

It's no good... the marionette has failed.

I'll kill her!

Come any closer and this woman dies!

Huh?

My god

ah...

ah?

W... wait!

T T T

It seemed wonderful to see all those people before

No... What?

What is it Obba?

So I'll do a little work for the moment

But she's an important tool

Well she sleep whenever she want

I don't think you were that girl no a burden

T T T

And, back in Legots...
